

RALLY FOR

Marriage

Illinois Family Institute (IFI) is joining forces with local organizations, churches and citizens in your district in a growing grass roots effort to protect marriage.

If you live in or near this district, please bring your family and friends and join thousands of others to defend **God-ordained marriage**.

If you don't live in or near, call your friends and relatives that do.

Your attendance is crucial to send a strong clear message that Illinoisans want marriage to remain defined as **One Man + One Woman**.

These representatives need to hear from the people they represent!
