PASTORS ON THE FRONT LINES

with **DAN FISHER**

Rediscover America's forgotten history and join Dan Fisher as he brings history to life with his dramatic fast-paced historical presentation about the Black Robed Regiment and the pastors who led the fight for American independence.

Although many have never heard of them, they were the most outspoken proponents of truth and liberty in 18th century America. They bravely led their men onto the battlefield to face the cold steel of the dreaded British Redcoats. Even though their role in the birth of America has been largely forgotten, they were key leaders in the cause for American liberty and independence. Hated by the British who called them the "Black Robed Regiment," these courageous men "laid it all on the altar" for freedom.

Without their bold stand and brave deeds, America may never have come to be. They were America's "patriot preachers."

His multi-media reenactment incorporates music, video and authentic colonial period attire. The entire family will also enjoy his hands on display of Revolutionary War artifacts. For those who love history, don't miss Dan Fisher and Bringing Back The Black Robed Regiment.

Dan Fisher is the Senior Pastor of Trinity Baptist Church in Yukon, OK. He was one of the first original Pulpit Freedom Pastors and a national leader in Bringing Back the Black Robed Regiment. He also currently serves as an Oklahoma State Representative.
