

Take Action:

Oppose SB 1564

Uphold Religious Freedom and Conscience

The Illinois General Assembly (both Houses) passed SB 1564 — a bill that forces doctors, nurses, pharmacists and pregnancy care centers to distribute information and give referrals to patients for morally objectionable procedures such as abortion, sterilization, and certain end-of-life care.

SB 1564 is now before the governor.

Please call Governor **Bruce Rauner** to urge him to uphold religious freedom and conscience rights for medical personnel in Illinois. Ask him to veto SB 1564 and the tyranny it represents.

The governor's public comment lines are (217) 782-0244 or (312) 814-2121.

Pray that Gov. Rauner and his staff will understand just how coercive this legislation is.

Thank you!

“Do not be overcome by evil, but overcome evil with good.”
