

Call your State Representative to  
**OPPOSE HB 40**

**HB 40** removes all prohibitions on taxpayer-funded abortion throughout all nine months of pregnancy under Medicaid and removes the ban from state employees' insurance policies paying for abortions. Because a half million have been added to the Medicaid roll in the last 5 years, we could see **15,000 or more babies slaughtered with our tax dollars each year!**

**Please call your state representative and urge him/her to oppose HB 40.** If you don't know who your state representative is, please call us at 708-781-9328.

**Rescue those** who are unjustly sentenced to death; don't stand back and let them die. Don't try to disclaim responsibility by saying you didn't know about it. **For God, who knows all hearts, knows yours,** and he knows you knew! And he will reward everyone according to his deeds.  
—Proverbs 24:11-12 (*Living Bible*)
