*We invite you to join us for a rewarding weekend with our premier faculty as we seek to equip both parents and teens to impact our culture in challenging times.*

# TRACKS

## **WORLDVIEW** WITH PRESIDENT HAYE

How do you sort through the wide array of worldviews that compete with seemingly opposing truth claims? Parents and students **13+** will have an opportunity to interact with a variety of current issues from a Biblical perspective.

President Haye is a 30-year veteran of the corporate banking world. He holds degrees from Baylor University and American Graduate School of International Management. Before becoming President of

Patrick Henry College, President Haye served as an Executive Pastor of First Baptist Church of McKinney, Texas. His responsibilities at First Baptist included development and delivery of an apologetics teaching series and oversight of both local and international missional engagement.

## **HISTORY** WITH DR. SPINNEY

Why is it important for Christians to study history? Parents and students **13+** will have a chance to dive deep into American history and explore not only the facts of history but also the methods historians use to understand the past.

Dr. Spinney teaches American history at Patrick Henry College, a required freshmen course. He also teaches the college's Historiography course, which is a semester-long examination of what

it means to view history from a Christian perspective. Dr. Spinney has been published numerous times on the subjects of history and Christian ministry. In addition to serving as a pastor for six years, Dr. Spinney was formerly a member of the faculty at Trinity International University (Deerfield, IL).

Our Teen Impact Summit is open to parents and students **13+**. PHC students and alumni will be leading small group discussions and Team-Building Activities for the students. President Haye and Dr. Spinney will be offering separate sessions for parents during the Teen-Only Activities.
