**Come join fellow Southland Pastors & Priests** to hear how you & your Church can become a part of this year's 40 Days for Life — Flossmoor prayer vigil. It's critical now more than ever that we stand together united in prayer. Scripture exhorts us to rescue those who are being led to slaughter (Proverbs 24:11-12) and to do everything through prayer and supplication (Philippians 4:6). Since 2004, over 1 million people have participated in a 40 Days for Life prayer vigil.

**Abortion is the leading cause of death worldwide**, ending the lives of more than 42 million children each year and victimizing millions of women and men. In Illinois, almost 40,000 baby's lives are lost to abortion each year. More than 4,500 women crossed the Illinois state border to get an abortion in 2016.

**The 40 Days for Life — Flossmoor runs from September 25 through November 3.** The vigil takes place on the public way in front of the Planned Parenthood in Flossmoor. This abortion clinic opened in 2017 and performs abortions two or three days a week.

Please invite any appropriate staff or volunteer  
that can attend alongside of you and help your church engage in this year's vigil.

*We will be covering the "how to" details of how your church can participate  
in this critical pro-life peaceful prayer movement.*
