

THE WAY OUT:

Alternative **Education Choices** for Our Children

Christian Liberty Academy in Arlington Heights
Saturday, **April 25** | **9:30AM - 1:00PM**

CHRISTIAN PARENTS and grandparents must seriously consider other options for their students and make the move away from government schools. The prevalence of perversion, subversion, and indoctrination are becoming more prevalent, and in order to protect the hearts and minds of our children, it is wise to consider other education options.

We invite you to join us on the morning of **Saturday, April 25th in Arlington Heights** to hear from a great lineup of experts as we explore what we need to do to begin to rebuild the culture through education. **The event is free and open to the public.**
