Student Opt-Out Notice

INSTRUCTIONS

Note: These instructions are designed to assist parents/guardians in completing the foregoing notice.

- 1.) You are free to copy/share this Student Opt-Out Notice with other parents.
- 2.) Submitting this notice provides the opportunity to exempt your child from sex education, STD and STI education, school authorized vaccinations/immunizations, and/or mental health screening during the school year specified.
- 3.) You may check all of the boxes, only one box, or a few boxes, depending on your particular beliefs.
- 4.) When completed, make two copies, sign and date each copy in ink.
- 5.) Proof of Service—Send the Opt-Out Notice to the school Principal by Certified Mail, Signature Requested (preferred method). Alternatively, it may be sent by any method whereby delivery can be confirmed. The Principal's signature serves as Proof of Service. You do no need nor are you asking for "agreement" or "authorization." You only need proof that you delivered the Opt-Out Notice to the school.
- 6.) As a Second Proof of Service, take a completed notice to the school office. Ask the school secretary or school principal to sign and date; and/or to place the school "Received" stamp on each copy of the notice. The Opt-Out Notice is an assertion of your legal rights and not an agreement. The signature from the school is not required to "validate" your demand. The school signature is only to serve as proof that the school was put on notice of your legal rights and that the violation of your rights could be legally actionable.
- 7.) Keep one copy (with proof of service) for your family and ask that the school keep a copy in your child's school records (the cumulative file).
- 8.) Educate your children to report to you if school officials attempt to compel them to participate in activities from which they have been opted out.

The Opt-Out Notice must be resubmitted every year.
