THE MATTER OF
LIFE
ARE THE UNBORN ONE OF US?

The Matter of Life is a wakeup call and a call-to-action. While we praise God for the *Dobbs v. Jackson Women's Health* decision by the U.S. Supreme Court, here in Illinois pro-life advocacy MUST intensify to meet the abortion industry's expansion and plans to make the Land of Lincoln an abortion destination point.

This documentary, with the help of experts, personal accounts, and plentiful visual aids, explores the political, spiritual, emotional, and physical aspects of abortion.

We are hosting free showings of this film in various locations.

Reservations are NOT required. We hope to see you there.
